Dear Valued Member,

**Re: New Members-only parking pass**

The Membership Office has been exploring options to accommodate loyal Members. After considering many member comments and suggestions, we are pleased to announce that a **Members-only parking pass** is now available for just **\$30 annually**.

Parking pass holders bypass the automated pay stations completely — simply ensure that your parking pass is properly displayed — and enjoy unlimited parking at the Canada Agriculture and Food Museum, the Canada Aviation and Space Museum, and the Canada Science and Technology Museum.

Parking passes may be purchased at any of the three Museums, or by calling the Membership Office during regular business hours at 613-991-0607.

Parking revenue will be re-invested in museum programming, helping to share our country's stories through a collection of over 300,000 unique artifacts that highlight the role science and technology play in transforming the lives of Canadians.

All visitor parking areas are based on the rate of \$1.00 per half-hour to a daily maximum of \$6.00. Should you have any questions regarding parking fees, please visit the Museums' websites, or email [member@technomuses.ca](mailto:member@technomuses.ca).

Sincerely,

Kerry-Leigh Burchill  
Director General, Canada Agriculture and Food Museum and Vice-President, Membership
